

PRESS RELEASE ISSUED BY THE MUSEUM OF NORTH CRAVEN LIFE, SETTLE

News from The Folly (Settle & District Community News, Feb 2014)

15 Jan 2014

A very Happy New Year from everyone at The Folly and may it be an excellent one for Settle!

At the launch of the Settle App and Settle WiFi in the Town Hall on 7 December it was very encouraging to hear of all the positive initiatives that are underway to attract more visitors to the area and make sure they have an excellent experience when they get here. Our 2014 season opens on 15 April and we have an exciting year ahead, with a fresh mix of events and attractions, ranging from a touring crafts exhibition in the spring to a group of exhibitions in the summer on the theme of 'Journeys'. One of these will feature the impact of World War I on Settle and North Craven through the departure of so many young men to the battlefields. If you missed the Open Day we held in November, appealing for contributions to this exhibition and have anything you could lend or have copied, please get in touch as soon as possible.

New Years bring New Year Resolutions! **Can you spare 4 hours per month between April and October? If that sounds possible, then please make this the year you volunteer as a steward to help run The Folly - one of Settle's few wet-weather attractions - while it is open to the public.** Stewards work in pairs for 2-hour shifts and we ask for a minimum commitment of 2 shifts per month. Full training is given and you get to meet plenty of interesting people in the lovely surroundings of The Folly. Interested? Please do get in touch with me on 015242 51388 if you can help.
